## The Minis-Davidson Nuptials.

The marriage of Miss Janet Davidson, daughter of Mr. and Mrs. Francis James Davidson, of this city, and Mr. Robert Beverly Minis, of New York, was solemnized at 12 o'clock noon today in St. Paul's Church, the pastor, Rev. P. Parker Phillips, officiating. Mr. Sherman B. Fowler presided at the organ and rendered the inspiring strains of Lohengrin's Wedding March as the wedding party entered the church and during the ceremony played very softly Bartlett's "Dreana." The church was beautifully decorated with white chrysanthemums and palms. The bride was lovely in a gown of white chiffon messaline and duchesse lace, her veil caught back with a spray of lilies of the valley and she carried in her hand a shower bouquet of lilies and roses. She was attended by her sister, Miss Florence English Davidson, who was dressed in a directoire costume of white silk and chiffon, with a picture hat, and carried a bouquet of bridesmaid roses. The groom was attended by his best man, Dr. H. R. Purdy, of New York. The ushers were Mr. Thomas J. Lewis, Mr. Harry G. Lewis, Mr. Duncan G. Harris, of New York; Capt. Charles Carroll Carpenter, U. S. M. C.; Mr. Philip Livingston Poe, of Baltimore, and Mr. Bradshaw Beverley Chichester, of Leesburg. Among the out-of-town guests were Mr. and Mrs. Philip H. Minis, of New York, the father and mother of the groom; Mr. Reuben Etting and Mrs. Eugene Poutney, of Philadelphia; Judge and Mrs. Neilson Poe, Miss Sarah Livingston Poe, Mr. and Mrs. William V. Elder, Mr. and Mrs. George Blackstone, Dr. and Mrs. James D. Iglehart, Mr. J. Livingston Minis, of Baltimore; Miss Sophie M. Brodgen, of Annapolis; Mr. and Mrs. Arthur Mason Chichester, Miss Eleanor Mott, Mrs. Frederick Satterlee, Mrs. Charles A. English, Miss Myra English, Mr. Philip Howell Lightfoot and Mr. T. Francis Mason, of Leesburg; Miss Helen McGill Page, of Berryville; Mrs. Johnston de Peyster and Miss Justine de Peyster, Mrs. W. B. Baldwin and the Misses Baldwin, Mr. Norman Bestor and Mr. Walter Scott, of Washington. The presents were numerous and handsome. After the ceremony an elegant breakfast was served to the out-of-town guests and a few of the most intimate friends of the bride. Mr. and Mrs. Minis left for an extended tour, and upon their return will reside in New York city.

**Slavs, Italians and Austrians Riot.**  
Some excitement was caused in this city early yesterday morning by a report which soon spread over the city to the effect that the foreign laborers employed in the railroad improvements on the environs were rioting. It was said that several of the belligerents had been killed and more sanguinary results were likely to follow. The trouble is said to have begun Saturday night within the police jurisdiction (one mile) of Alexandria, but the storm centre was beyond the city's bulwark yesterday morning. Mayor Paff called for volunteers, and Chief Webster, Lieut. Smith, and Policemen Young, Roberts, Arrington, Lyles, Mayhew, Allen, Knight, Sherwood, Gill, Bettis, Smith, Ferguson, and Nicholson responded, and, accompanied by Mayor Paff and Commonwealth's Attorney Brent, and ex-Mayor Henry Strauss, left here in an omnibus. When they arrived upon the scene it was found that the affair had been greatly exaggerated, although there were evidences of previous disorders. Fifteen men who were found armed were arrested and taken to the Alexandria county court house by Constable Cornell. A number of pistols and knives were found by the officers and confiscated. It is said that the trouble arose over the refusal of the Austrians and Italians to join the Slavs in a strike which they had inaugurated, whereupon the last named determined to intimidate the others and drive them from the works. Pistols were fired, dirks flourished, and stones thrown, but so far as known no one was seriously injured. It is said that the contractors for the freight yards have had considerable trouble recently with foreign laborers, especially the Slavs, among whom are a number of malcontents and agitators, and that numbers of negro laborers are being imported from North Carolina to fill the places of the strikers.

It was reported this morning that Saturday night's turmoil was likely to be renewed, and Officers Beach and Smith were sent to the scene. No further breaches of the peace have been reported, however.

## An Interesting Address.

Rev. Mr. Painter, who has spent several years in China as a missionary, delivered an interesting and instructive address in the Second Presbyterian Church yesterday morning. The reverend gentleman did not, as most missionaries, give a detailed description of the manners and customs of the celestials, but confined his remarks to existing conditions in the flowery kingdom, as well as the cause of the recent boxer uprising, the troubles with the missionaries, the cause of the present Russo-Japanese war, &c. Mr. Painter gave a clear and succinct account of the many unjust acts of western nations against China, in which it would appear that foreign countries have, in a measure taken possession of many parts of the country, while they coerce the Chinamen into according to all their demands, reasonable or otherwise. In certain cases the celestials are placed in positions where they are compelled in their own domains to compete with foreign nations for trade. The Mongolians, who have suffered patiently for years, have many grievances treasured up against the people of the occident, and, should opportunity arise, they will not be slow to avenge their wrongs. Like the late Southern Confederacy, Chinamen merely desire to be let alone. Mr. Painter said such a state of affairs rendered missionary work an up-hill occupation, but that it was the intention of those in the field to continue their propaganda no matter how adverse the conditions.

## An Alexandria-built Schooner.

The three-masted schooner *Isleboro*, which sprang a leak in the heavy gale of

Sunday week off Cape Henry, and which was abandoned by her crew of eight men who were picked up by the British steamer *Atholl* and landed in New York, was built at this place in 1882, and was formerly the schooner *James Boyce, Jr.* She was a vessel of 729 tons burden, was 156 feet long and was rated as a fine vessel. She was last up the Potomac about a year ago, when she landed a cargo of phosphate rock for the Alexandria Fertilizer and Chemical Company at W. A. Smoot & Co's wharf. This schooner is the second Alexandria-built vessel to meet disaster in the past two weeks, the schooner *Wilson* and *Hunting* having been run into and sunk by a United States supply ship off Atlantic City about ten days ago. It was stated at the time the news of the sinking of the *Wilson* and *Hunting* reached this city that a singular fatality followed the seven schooners built here from 1876 to 1883. The loss of the *Boyce*, it is believed, marks the disappearance of the last one from the ocean.

**Police Court.**  
[Justice H. B. Caton presiding.]  
The following cases were disposed of this morning:

Robert Chapman, colored, arrested by Officers Roberts, Bettis and Beach on suspicion of stealing a bicycle in Washington, was turned over to the authorities of that city.

A white man, arrested by Officers Lyles and Allen charged with being drunk and disorderly, was fined \$2.50.

Leo Downs, arrested by Officers Knight and Ferguson charged with carrying concealed weapons, was fined \$20.

Gus Robinson, arrested by the same officer as a suspicious character, was fined \$2.50. A white man who was with the two youths was fined \$5.

A white man, arrested by Officer Bettis charged with using vulgar and abusive language in the street, was dismissed.

Robert Reeves, colored, charged with improper relations with Christine Ross, his step-daughter, was dismissed.

Charles Parker, colored, charged with disorderly conduct, was dismissed.

## Corporation Court.

[Judge L. C. Barley presiding.]  
Nelson V. Washington was appointed a deputy sergeant to look after the railroad camps near this city.

W. H. Demaine was appointed administrator of the estate of Andrew Bell, colored, deceased.

Bettie Baum vs. Julius Drifus et al.; decree referring case to H. B. Caton, special commissioner, for report and appointing J. M. Johnson and J. K. M. Norton special commissioners, to sell property.

City Council vs. W. H. Lawson, decree confirming report of H. N. Garner, commissioner, and appointing G. L. Boothe commissioner of sale.

The jail inspectors made their report recommending certain repairs to be made to the jail, and a rule was issued to show cause why a mandamus should not issue commanding the City Council to cause the jail to be put in good repair. The rule is returnable tomorrow.

## Alexandria Hospital.

The managers of the Alexandria Hospital have issued a thanksgiving appeal in which they say: "The friends of the hospital and the citizens of Alexandria and vicinity are hereby reminded that Thanksgiving Day is the season when we look to them for donations of money, groceries, provisions of all kinds, household articles, in short any and everything that can be made useful in such an institution. \* \* \* Let us hear from you on Thanksgiving Day; send your donations as God has prospered you, or come to the hospital with hands full of gifts and see for yourselves what your co-operation enables us to do, remembering, too, that 'God loves a cheerful giver.'"

A committee of the managers will be in attendance at the hospital on Thanksgiving Day from 10 a. m. to receive donations.

## Death of Mrs. Keys.

Mrs. Mollie Keys, wife of Mr. George W. Keys, the solicitor for the Alexandria National Bank, died about 8 o'clock yesterday morning at her home, 722 King street, after an illness of pneumonia which she contracted about a week ago. The deceased was a well-known and estimable lady, and was prominently identified with charitable work here; she was also closely associated with the Daughters of the Confederacy, having but recently returned from St. Louis, where she was a delegate to the annual convention of that organization. She was a Miss Johnson, of West Virginia, and was about fifty-four years of age. This is the second bereavement to which Mr. Keys has been subjected in two years, his only son, Mr. Charles Keys, having been killed in the railway wreck at Ravensworth about a year and a half ago. He has the sincere sympathy of the entire community.

## "Brown's In Town."

"Brown's in Town" will be produced at the Opera House to-morrow night. Many of the situations in the farce are new and original. "Brown" visits the small village Honeysuckle Lodge, because while he is about to enjoy his honeymoon with his young and pretty wife whom he has secretly married, a host of relatives and friends visit the same place. Their coming and going, and the fact that Brown tries to keep his marriage a secret, makes the story of the play. The cast is an excellent one. The part of "Dick Brown" is in the hands of Geo. T. Welch.

## Yesterday.

The weather yesterday was akin to summer time, the mercury in the thermometer having forged above the 70 mark. The sky was fair and conditions were favorable in every respect for strolls, in marked contrast to those of the previous Sunday. The streets were alive with people until after dark. As is usual on fair and mild Sundays, many persons visited the environs of the city, especially where the railroad work is in progress. Most of the churches had full congregations.

## Alexandria Aerie of Eagles.

A largely attended meeting of Alexandria Aerie of Eagles was held in their hall in the Alexandria National Bank Building yesterday afternoon, when several candidates were initiated. Capt. C. H. Hayden, a prominent member of the order from Johnston, Pa., and a number of Washingtonians were present. The Eagles is rapidly becoming one of the most popular social and beneficial orders in the city.

## Personal.

Miss Charlotte Blackburn has returned on a visit to relatives in Berryville. Mr. and Mrs. Wm. B. Smoot, and Mr. Ainsley, of Alexandria, were the guests of Mr. Harrie Smoot last week at Sperryville. [Blue Ridge Echo.]

Mr. Carroll Pierce, the assistant cashier of the Citizens' National Bank, and wife left Saturday night for St. Louis to attend the fair.

Mr. Edward A. Joachin, of Charlottesville, and Miss Mary Catherine Harris, of Alexandria, were married in this city on Friday last.

Mr. and Mrs. John Lindmark, of Brooklyn, N. Y., are visiting Mr. and Mrs. C. B. Swan.

Mr. Horace L. English, formerly of this city, but now of New York, is in the city, having come to attend the wedding of his niece, Miss Janet Davidson.

Mr. E. L. Daingerfield and family have returned to their home in this city for the winter, having spent the fall at their country home on Seminary Hill.

## Milk Thieves.

Housekeepers are still complaining of the annoyance occasioned by milk thieves. This commodity is now distributed in bottles which are placed at front doors or in yards or alleys, but numbers of the receptacles never reach the persons for whom they are intended.

A lady living on upper Duke street heard the milkman when he left a bottle at her house this morning, but she found somebody had been there before her when she went to the door.

## Thanksgiving Harvest Sale.

There will be a thanksgiving harvest sale at the new chapel at Howardville, near the Theological Seminary, tomorrow afternoon at 2 o'clock. The neighboring farmers are contributing liberally to the market, and the produce will be sold at usual prices. It is sincerely hoped that persons from Alexandria will attend this market, and all are cordially invited to Vauxcluse for a cup of hot tea after the sale.

## Case Dismissed.

The case of Robert Reeves, colored, who was arrested several days ago at the instance of his wife, who charged him with improper conduct toward his step-daughter, Christine Ross, came up in the Police Court this morning. The accused was represented by Mr. L. H. Machen. After hearing the evidence Justice Caton dismissed Reeves.

## Funeral.

The funeral of the late Isabella Dogan, an old and respected resident of the First ward, took place yesterday afternoon from Roberts Chapel. The services, which were conducted by Rev. C. G. Cummings, pastor of the church, were attended by a large number of relatives and friends of the deceased.

## Musical.

A musical will be given by the Junior Daughters of the Confederacy at Lee Camp Hall tomorrow night at 8 o'clock. Among those who will take part are Mrs. Raymond Hulish, Miss Greenwell, Mr. Kenneth Ogden, Mr. Clabaugh and Mr. Moore. Mr. Meath will be the accompanist.

## LOCAL BREVITIES.

Mr. John Ewald, chief of the bottling department at the Portner Brewery, was painfully though not seriously scalded by the explosion of a steam pipe this morning.

At the University of Virginia grounds Saturday afternoon the Episcopal High School football eleven defeated the Miller School team, of Albemarle, in forty minutes of play, the score being 12 to 6.

The missionary rally at the M. E. Church South last night was an interesting affair throughout. The programme was well rendered and the address of Rev. Mr. Stump was much appreciated.

While Mr. Merriweather Carter, of Fairfax, was driving to this city yesterday evening and when near the optikists, several strangers made a raid upon his wagon and stole several bottles of milk and made off.

A chimney of a house in the alley bounded by Prince, Duke, Alfred and Patrick streets took fire this morning and an alarm of fire was sounded. There was no damage and the excitement was soon allayed.

The Washington authorities refuse to be held responsible for the cost of laying new gas mains made necessary by the construction of tracks by the Washington, Alexandria and Mount Vernon Railway Company in that city.

Members of the Woman's Auxiliary who are willing to assist at the supper to be given by this organization are requested to meet in Lee Camp Hall Wednesday night at half past seven. There will be no meeting on Tuesday night.

## A Startling Test.

To save a life Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, "A patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained the first and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at E. S. Leadbeater & Sons.

## Thousands Cured.

DeWitt's Witch Hazel Salve has cured thousands of cases of Piles. "I bought a box of DeWitt's Witch Hazel Salve on the recommendation of our druggist," writes C. H. LaCroix, of Zavalla, Tex., "and used it for a stubborn case of Piles. It cured me permanently." Sold by all druggists.

## Only Makes a Bad Matter Worse.

Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effects, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them. For sale by Gibson & Timberman and W. F. Creighton & Co., druggists.
